CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Cattlemen Meeting Set Tuesday Night

The June quarterly meeting of 1962 for the Palm Beach County Cattlemen's Association is scheduled for Tuesday night, June 5, at the Canal Point Community Center at 7:30 p. m. The subject will be "Dual Grading System for Beef Cattle."

Starting July 1, the United States Department of Agriculture will initiate a one-year trial period of using a dual-system of grading cattle, combining the present quality grade with a catability grade. Dr. A. Z. Palmer, along with his associate Dr. J. W. Carpenter, of the Meats Products Laboratory, University of Florida, has been working closely with the U. S. D. A. personnel for approximately two years to evaluate the dual-grading system for cross-bred cattle. The new system may be of particular significance to the cattlemen of Florida.

Dr. Palmer will be present Tuesday night to explain in detail exactly what dual-grading is and to present results of the research he and Dr. Carpenter have compiled during the past couple of years. This should be a very beneficial program for all of us.

A pot luck dinner is planned, with the Association furnishing the meat, bread, and drink. Would each of you please bring a covered dish—either a vegetable, salad or dessert.

A special election will be held to elect a director to replace Russell Kiser, who has recently moved to Collier County.

An Ideal Location For New Hospital SR715 Across Rd. New County Park

Several weeks ago when it began to look like a common effort would be made between the hospital boards in Belle Glade and Pahokee to locate a new and modern hospital half way between the two towns, County Commissioner Paul Rardin suggested a location on State land just across the road from the new county park now being built on SR715 near the East Shore pump station.

Commissioner Rardin said in his announcement that a new state highway will be built from the county park area across the muck to the old Pahokee-Belle Glade road. The new road would give all residents of the Glades access to the proposed site. The new, high-way is provided for in the upcoming bond issue from which Palm Beach county will receive monies for highways.

The second vote of elimination was taken for the Lion of the year, who will receive the Ralph Stanley Memorial Plaque, as the outstanding Lion of the year. Ben Sundy Is Not An "Inactive" Worker On County Board

Quiet and unassuming in his manner, determined and effective in his county commission work, exerting a great deal of continuous effort in his desire to serve another term on the board of county com-

missioners of Palm Beach County, Veteran County Commissioner Ben F. Sundy of Delray Beach on Tuesday at the polls defeated John Archie of Boynton Beach for the upcoming four year term.

Commissioner Sundy came up with a total of 7,019 votes to the total of 6,560 garnered by Boynton's John Archie who had said that he would be "an active county commissioner," inferring that Mr. Sundy was inactive. Ead Mr. Archie had the privilege and pleasure of sitting alongside Mr. Sundy for 12 years on the county commission he never would have made the inference that Mr. Sundy is an "inactive county commissioner."

Commissioner Sundy isn't one to play to the audience, neither is he one to pop off a lot and make lengthy speeches in commission meetings, when the press is represented, just to get his name in the paper. Always on the alert to secure those things for his district in the south end of the county that will keep his constituents happy and always remembering that he represents the entire county, Mr. Sundy never passes up an opportunity to do those things which will be for the betterment of the citizens of all Palm Beach County.

Mr. Sundy will face Republican opposition this fall as the result of his win on Tuesday of this week when he was nominated by the Democrats to carry the banner in the county commission race. As political prognosticators, we've never been so hot, but we would like to do a little wishful thinking and say that Palm Beach County citizens will have the opportunity, on November 6 to select a man for the commission job who will execute the duties of the office in a manner that will bring satisfactory results to all concerned.

Mrs. Ray T. Blass and children Chester and Mary Lou have returned to their home, in Sanford after visiting her parents, Mr. and Mrs. Earl Cooper and family.

Graduation PHS Is Set For Next Friday

Principal Brooks Henderson of Pahokee High School said yesterday that graduation exercises will be held next Friday night for the 1962 graduating class. Names of the graduates were not available at press time and won't be made public until this afternoon at 1:30 o'clock.

B G Hospital Board OKs Joint Hospital

The Southwestern Palm Beach County Hospital Board, Governing Body of the Belle Glade Memorial Hospital, issued the following press release today:

The Southwestern Palm Beach County Hospital Board has, for many months, been engaged in an exhaustive study of a proposal to join with the Northwestern Palm Beach County Hospital Board for the purpose of erecting one fully accredited hospital to be located within one half mile radius of the midway point of the City Limits of Pahokee and Belle Glade on State Road No. 715 (Bacom Point). Such a joint hospital would be financed by Federal Hill-Burton and tax funds.

During this investigation, the Board has carefully weighed all factors in connection with this proposal. The Board also has carefully noted the sentiments of those proponents and opponents of the Joint Hospital Plan who have expressed themselves on this proposition.

There have been many factors to consider in attempting to reach the right decision on this highly important question and, because the subject with which we are dealing vitally affects the lives and well-being of the entire area, it has not been taken lightly. After carefully weighing all the facts, it is the considered opinion of the Board that the Joint Hospital Plan would definitely be in the best interest of the residents of the Southwestern District.

In reaching this decision, the Board is well aware of the objections raised by opponents to this plan, as well as the problems inherent to such a joint venture. It is the Board's firm belief, however, that benefits of a consolidated venture greatly outweigh any accruing liabilities. In the final analysis, the Joint Hospital Plan would afford both the Southwestern District and the Northwestern District one ideally located, fully accredited, well-equipped hospital, with no accompanying increase in taxation.

The Board has little doubt that a new or expanded hospital could be obtained and located in the City of Belle Glade. This, unfortunately, would not completely answer our needs. Such a venture would certainly demand that property taxes be substantially increased, and both the size and the quality of the Hospital would suffer. Accreditation would be still another major problem under this plan, as would the treating of citizens residing in the Southwestern District but out of Belle Glade.

Yearly 4-H Meeting CP Baptist Church

The Canal Point Chapter of the 4-H Club held its annual 4-H Sunday Services in the Canal Point Baptist Church Sunday morning at the 11 o'clock Worship Hour. Special seats were reserved for the group. There were 20 members present.

The Pastor, Charles D. Stewart, gave an exposition of the Third Chapter of the Book of Colossians, relating the truths set forth there concerning Character Development.

Among the things he stressed were these six things: (1) There are some things a Christian Must Put Off, as inconsistent with the Old Man and His Deeds. (2) There are some things a Christian Must Put On, as essential to the Christian life, described as The New Man in Christ. (3) There are some things a Christian Must Let In as a proof of his Christian Faith.

(4) There are some things a Christian must Let Out to demonstrate his Christian Faithfulness. (5) The Warning is: "The slacker and the thief will be judged by God Himself. The wrong-doer will be paid back for his wrong doing. God shows no partiality." (6) A Word of Encouragement—"Whatever you do, put your whole heart into it, as into work done for God, and not merely for man, knowing that your real reward, a heavenly one, will come from God."

The 4-H Club sets aside on Sunday in the year for its annual 4-H development of the 4-H Heart, spiritually. Next year the services will be held in the Canal Point Methodist Church.

Candidate Talk For Publication After The Election

Following ballot counting Tuesday night in West Palm Beach the candidates, winners and losers, had a little something to say to the press:

In light voting, with all 80 precincts reporting, the unofficial complete totals showed Sundry leading Boynton Beach Councilman John L. Archie 7,015 to 6,560 votes; Eassa had 6,992 votes to Leonard C. Brown III's 3,257.

Both men will face Republican opposition in November when Sundry faces Delray Beach Councilman George V. Warren, and Eassa will be opposed by West Palm Beach attorney Robert R. Johnson. Sundry was not available for comment last night, but Archie had this to say:

"The best man was Commissioner Sundry is the man the Democrats want to face George Warren in November, and I hope the Democrats win. I learned an awful lot from this race and have gained an education in the last three months."

Eassa was at the County Courthouse Annex building with his brother, Joe Eassa, and cousin, Ed Fisse, watching the votes come in. As his victory in this Democrat primary became certain, he issued this statement:

"I attribute this victory to the people who have worked hard for me from the beginning, and especially to the two candidates who were eliminated in the first 'go round' (Louis G. Moody and J. Wainwright Love who were defeated in the first Democrat primary, May 8).

"I could not have made it today without their effort, and their workers who came over to my side. Without them, this victory would have been impossible."

Brown had a one sentence comment. He said, "I wish to thank the more than 6,000 people who voted for me."

It was quickly obvious that both races would be relatively close but the early trends which developed, giving Sundry and Eassa an edge, persisted, with both candidates slowly but surely pulling away as the various precincts reported.

In the only statewide race, between Jerry Carter and Jim Blanton, for the Florida Railroad and Utilities Commission, veteran incumbent Carter carried Palm Beach County by 7,819 votes to Blanton's 4,754.

The board received a resolution from the Citizen Club secretary, Thelma Yerger, which asked the county to rebuild about 1500 feet

of road along the ocean.

Also represented in the delegation was the Lantana Chamber of Commerce, Lantana Woman's Club, Lantana merchants group and the Hypoluxo Property Owners Association.

The proposed project is being opposed by the community of Manalapan.

The commission advised the delegation that the proposal is now being studied and a survey being conducted to determine what action should be taken.

Legislature May Produce Governor

TALLAHASSEE — Political experts are already looking forward to the Florida legislative session of 1963 to select the state's next gubernatorial candidates.

Sen. Scott Kelly of Lakeland is the only sure bet to enter the 1964 governor's race, but a lot of others are likely candidates.

One former governor, Charley Johns, is a state senator and a prospective candidate once again. John McCarty of Ft. Pierce, Cliff Herrell of Miami, Verle Pope of St. Augustine, and John E. Mathews, Jr. are all senators or senate nominees with an inclination to be governor.

Fred Karl of Daytona Beach, Earl Faircloth of Miami and Ben Hill Griffin of Frostproof are all nominees for the House. They, too, have eyes on the governor's chair.

You can look to the 1963 session of the Legislature for some likely candidates for governor who will give some competition to prime contenders such as Mayor Haydon Burns of Jacksonville and Fred Dickinson who now heads Bryant's Council of 100.

Christian Science Group Of Canal Point

Spiritual alertness is needed to meet the challenge of today. This is a theme of the Lesson-Sermon entitled "Ancient and Modern Nephromancy, Alias Mesmerism and Hypnotism, Denounced" which will be heard at Christian Science services Sunday.

The Responsive Reading will include Paul's advice to the Ephesians (1): "Be strong in the Lord, and in the power of his might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil."

One of the citations to be read from "Science and Health" with Key to the Scriptures" by Mary Baker Eddy states: "Be watchful, sober, and vigilant. The way is straight and narrow, which leads to the understanding that God is the only life. It is a warfare with the flesh, in which we must conquer sin, sickness, and death, either here or hereafter. — certainly before we can reach the goal of Spirit, or life in God" (p. 324).

Monthly Meeting C. P. Baptist W. M. U.

The nominating committee was appointed as follows: Mrs. R. T. Smith, chairman and Mrs. Paul Rardin and Mrs. J. L. McCall as the other members.

B G Hospital Board

(continued from page 1)

Proper.

The Board should like to point out that notwithstanding the Belle Glade Chamber of Commerce Board of Directors' recent action, there has been no tangible evidence of any organized opposition to the Joint Hospital venture. While the Chamber Directors, by resolution, opposed the consolidated venture, this action was done without the knowledge or sanction of the Chamber membership which has not been given the opportunity to express its sentiments.

Nevertheless, because of the

gravity of the question involved, the Board has no intention of taking any arbitrary or precipitous action with respect to the Joint Hospital Plan. Rather, it is the Board's firm belief that this question should be decided by the citizens of both the Southwestern and Northwestern Districts, and then only after the many facts, pro and con, of the plan have been fully and publicly aired.

The responsibility for disseminating information on the Joint Hospital Proposal will be undertaken by the two boards with the added proviso that any citizen or group wishing to voice an opinion on the subject is urged to do so.

Following this informational campaign, the Southwestern Board and the Northwestern Board will call for a straw ballot, to be held in the fall of 1962, at polling places strategically located throughout both districts, so that the populace can properly express themselves on the Joint Hospital Plan.

Should a majority of the citizens participating in that straw ballot vote in favor of the Joint Hospital Plan, the question will then be re-submitted to freeholders at a later date. The outcome of the voting on the question by the freeholders will determine whether the Joint Hospital Plan is enacted.

The Southwestern Board wishes

to acknowledge with sincere thanks the confidence expressed in it by the citizens of the District.

The Southwestern Palm Beach County Public Hospital Board.
